Career Compass- Pre-Joining Enablement availability

The survey will take approximately 4 minutes to complete.
Hi Folks!

Congratulations on being selected at Persistent Systems.

We are gearing up to launch the program Career Compass 4.0 meant to enable you for job readiness. Your learning journey will be starting very soon, and it will be designed to make sure you have your arsenal ready for any challenges that you may face when you join the organization.

To help you drive your own learning, we need to understand your expectations from the program Career Compass. Please fill in the details to help us.
